My Remuneration

The cost of providing a financial advice service to you including initial consultation, strategy development, product considerations and a statement of advice including implementation of that advice will depend upon the nature and complexity of the advice and or service provided. You will be charged a fee-for-service for this. If we provide advice for insurance, this involves the payment of Brokerage/Commission and may cover the cost of your advice document.

Prior to preparing any advice or providing financial services to you, we will discuss and agree upon all forms of remuneration that will apply. Full details of all fees and/or commissions will be outlined in the statement of advice that I will provide to you.

Ownership & Licensing Structure

The Principal Edge Pty Ltd (AFSL 225029) and Evalesco Financial Services (CAR 325313) have common directorship. Principal Edge holds an Australian Financial Services Licence (AFSL) and is responsible for overseeing the financial services provided under its licence.

This means that while your financial adviser operates under Evalesco Financial Services, their advice is authorised and monitored by Principal Edge to ensure it meets regulatory requirements.

I am paid a salary by the Practice (Evalesco).

Fees and/or commissions payable are separated into either initial or ongoing fees or commissions.

For initial advice, including the preparation of a Statement of Advice, the fee starts at \$4,400 (incl. GST) however this fee will vary depending on the complexity of the advice and the number of entities involved in the advice – for example, discretionary trusts, companies and self-managed superannuation funds.

Any ongoing fees will be an agreed fixed dollar fee which will be reviewed annually.

If the practice is paid an initial commission for insurance products, it will receive 0% to 66% on the premium of the insurance. If the practice is paid an ongoing commission for insurance products, it will receive 0% to 22% on the premium of the insurance. This is not applicable where insurance is placed as a group risk policy inside superannuation or where the policy is for the benefit of the member of a default fund.

The following examples illustrate how the fees and commissions are calculated.

- With a flat Statement of Advice fee of \$4,400 the Practice would receive \$4,400.
- On a \$4,500 per annum ongoing adviser service fee, the Practice would receive \$4,500 per annum.
- On a \$1,000 annual insurance premium with an initial commission of 66%, the Practice would receive \$660.
- On a \$1,000 annual insurance premium with an ongoing commission of 22%, the Practice would receive \$220.

Your Best Interests

I will act in your best interests at all times and I am bound by the Code of Ethics as governed by the Australian Securities and Investments Commission (ASIC).

I am committed to providing you with quality financial advice and a wide choice of products and/or services to suit your individual circumstances.

Services I Can Provide

I can provide financial advice and deal in financial products in relation to the following areas:

- Deposit and Payment Products
- Government Debentures, Stocks or Bonds
- Life Products
- Managed Investment Schemes
- Retirement Savings Account Products
- Securities
- Superannuation
- Self Managed Superannuation Funds
- Aged Care
- Estate Planning Strategies

My Remuneration

The cost of providing a financial advice service to you including initial consultation, strategy development, product considerations and a statement of advice including implementation of that advice will depend upon the nature and complexity of the advice and or service provided. You will be charged a fee-for-service for this. If we provide advice for insurance, this involves the payment of Brokerage/Commission and may cover the cost of your advice document.

Prior to preparing any advice or providing financial services to you, we will discuss and agree upon all forms of remuneration that will apply. Full details of all fees and/or commissions will be outlined in the statement of advice that I will provide to you.

Ownership & Licensing Structure

The Principal Edge Pty Ltd (AFSL 225029) and Evalesco Financial Services (CAR 325313) have common directorship. Principal Edge holds an Australian Financial Services Licence (AFSL) and is responsible for overseeing the financial services provided under its licence.

This means that while your financial adviser operates under Evalesco Financial Services, their advice is authorised and monitored by Principal Edge to ensure it meets regulatory requirements.

I am paid a salary by the Practice (Evalesco).

Fees and/or commissions payable are separated into either initial or ongoing fees or commissions.

For initial advice, including the preparation of a Statement of Advice, the fee starts at \$4,400 (incl. GST) however this fee will vary depending on the complexity of the advice and the number of entities involved in the advice – for example, discretionary trusts, companies and self-managed superannuation funds.

Any ongoing fees will be an agreed fixed dollar fee which will be reviewed annually.

If the practice is paid an initial commission for insurance products, it will receive 0% to 66% on the premium of the insurance. If the practice is paid an ongoing commission for insurance products, it will receive 0% to 22% on the premium of the insurance. This is not applicable where insurance is placed as a group risk policy inside superannuation or where the policy is for the benefit of the member of a default fund.

The following examples illustrate how the fees and commissions are calculated.

- With a flat Statement of Advice fee of \$4,400 the Practice would receive \$4,400.
- On a \$4,500 per annum ongoing adviser service fee, the Practice would receive \$4,500 per annum.
- On a \$1,000 annual insurance premium with an initial commission of 66%, the Practice would receive \$660.
- On a \$1,000 annual insurance premium with an ongoing commission of 22%, the Practice would receive \$220.

My Referral Arrangements

Evalesco Financial Services will neither pay a third party nor receive payments from a third party for any referrals.

My Associations

At the date of my advice, shareholders of Evalesco Financial Services Pty Ltd (my employer), through associated entities, have shares in The Principal Edge Pty Ltd (my licensee) and/or Aspen Asset Management Pty Ltd.
